

DPG Associates Web Design (DPG)

What has your web site done for you lately?

PHP and Drupal Programmer

DPG Associates is looking for a Programmer to join our team on a full-time basis. We are dedicated to professional web site design, software design and application development. We specialize in commercial and educational websites. Ideally, we are looking for a motivated individual who knows how to create, manage and maintain a Drupal CMS. Experience with Drupal is an asset.

They should be able to work well as part of a team, as an individual, able to meet deadlines, and communicate well with team members and customers. The candidate must be a self-starter and have the motivation work well with co-workers and customers. We prefer people who like the independence of working as a contractor and as such are efficient and well organized.

We are looking for a programmer to work as part of a team to:

- install and configure new sites using Drupal
- create and maintain database-driven web applications using the appropriate programming/scripting language (i.e. PHP, JavaScript)
- design, construct and manage MySQL databases
- integrating online applications with various client back-end systems
- knowledge of the following: HTML, XHTML, PHP, CSS, MySQL, XML, Apache, and JavaScript
- integrate template designs with CMS code
- understanding issues related to cross-browser compatibilities
- integrate standard and customized Drupal components
- develop and update CSS
- populate content (text, graphics, photos) to Drupal CMS
- integrate Drupal features and modules
- train clients on managing a Drupal-based website
- develop new components as needed
- good communicator
- socially conscious

This individual will work closely with other members of the team to build and maintain interactive web sites and software applications.

Interested applicants should send an e-mail with a resume along with links to three (3) URLs that they have been involved in to: ceo@dpgassociates.com

We thank all applicants, but only those selected for an interview will be contacted. No phone calls please.
