- 1 Admin Toolbar
- 2 Status could be in status message or in the toolbar
- 3 Blocks that do not have the ability to preview will be marked as so

The screenshot shows a Drupal site preview interface. At the top, there is a grey header area. Below it is a white toolbar containing a status message: "Currently viewing the site with collection xyz. [View current site](#)" and a "Change Preview Settings" button. A green bar below the toolbar repeats the status message. The main content area is split into two columns. The left column contains a large white box with a left-pointing triangle on the left and a right-pointing triangle on the right, with four small grey dots below it. The right column contains a "Popular" block with three items: "Sed ut perspiciatis" (Oct 20, 2009), "Pellentesque habitant morbi" (Sep 14, 2009), and "Maecenas nec odio et ante tincidunt tempus" (Aug 12, 2009). Below this is a "Recent comments" block with a list of comments and a "3" in a blue box. A large red text overlay reads "Not reflected in Preview".
