

DRUPAL GOVERNMENT SHOWCASE

A stylized graphic featuring a gear, a rocket, and a city skyline against a background of yellow and blue diagonal stripes. The gear is on the left, the rocket is in the center, and the city skyline is at the bottom. The background consists of diagonal stripes in yellow and light blue.

CHANGE COMES TO OTTAWA

Learn how government services are being delivered faster and more economically using Drupal, the free, open source content management framework. Used by government agencies around the world including the White House, PWGSC, World Bank, data.gov.uk, Communications Security Establishment, NRCAN, Government of France main portal etc.

Tuesday June 15, 2010 2 pm to 4 pm - Ottawa Public Library Main Branch
