Highlights:
1. Questions => Working Groups => Solved Problems
2. Working on Strategic Vision
3. Awesome Dinner @ Casa Sanchez (20 people)

STRATEGIC VISION

To *share knowledge* and *solve science-related Drupal issues* through virtual and personal collaborations.

STRATEGIC VISION

How do we communicate...
effectively ?

STRATEGIC VISION
Sharing Knowledge

@ Drupal.org *FIRST*

https://groups.drupal.org/science-on-drupal

Events   (meetings, telecons, hangouts)
Information   (blogs, helpful resources, etc.)

STRATEGIC VISION
Sharing Knowledge

@ Drupal.org *FIRST*

https://groups.drupal.org/science-on-drupal

WHY?   1. Low, shared barrier of entry (d.o login)
         2. Demonstrates to d.o that we are serious

- contend for Drupalcon Track

FUNding Friday Award

Federated Content Aggregator Drupal Module

1. Share working group content amongst other working groups from other organizations (ESIP, RDA, EarthCube)

2. Presenting results at Winter Meeting

3. Why Drupal? This module will provide any site the ability to instantly be aware of and contribute content with external, relevant sites. - Bruce Caron
