Wednesday December 18th,

7:00 - 9:00 pm

911 W 8th Ave Building

The Alaska Drupal Users Group is hosting a free introduction to website creation. Even if you've never built your own website, you'll learn how to quickly and easily build your own amazing and mobile ready business or blog site using the power of Drupal.

Drupal is a free software package with extensive support from a vibrant volunteer community that allows you to easily organize, manage and publish your content, with an endless variety of customization.
