DrupalCamp is a **technological national congress** joining up professionals, students and leader companies in web development in Spain and the Drupal community.

Drupal is free software, an open community and internationally.

DrupalCamp **Barcelona** was a successful event as organized level, as media coverage and as technical quality. II DrupalCamp Spain (**Seville**) and III DrupalCamp Spain (**Madrid**) confirmed the huge importance of this.

DrupalCamp Spain Cáceres is the IV edition, showing the maturity of this meeting. Well-known speakers from development community and from outstanding companies, are going to participate in this edition.

Also it will be leisure activities to go around the city (World Heritage) and enjoy touristic places and gastronomy.

San Francisco Cultural Complex Congresses and expositions centre. Located outside of the monumental town, on the verge of the Roman road known as "Vía de la Plata". It's a monastery built in 1472 and take a clear stance of a late gothic style.
