SPONSORSHIP DETAILS

PACIFIC NORTHWEST DRUPAL SUMMIT PDX 2011

The Pacific Northwest Drupal Summit is an annual event for Drupal Professionals to gather, exchange ideas, learn from one another, and advance the Drupal CMS. Come expand your coding skills, and enjoy some face-to-face time with other Drupal Professionals. Portland, Oregon is excited to be the host city for the 2011 Northwest Drupal Summit. But to really make this conference meet the needs of Drupal professionals we need *your help!*

WHY WE NEED SPONSORS

Open source exists because of the tireless hours of volunteer work, both sponsored and unsponsored. Events like the Pacific Northwest Drupal Summit give these volunteers the opportunity to grow, connect, and challenge their coding skills. We expect to sell out quickly and will be hosting around 300 Drupal developers in pioneering Portland, Oregon this fall.

By giving your financial support you are insuring that Drupal developers will not only build sites, they will innovate them. Community events are vital to the Drupal community helping to connect developers and users in person, and to

further collaboration. Help the Drupal community thrive, by supporting the Pacific Northwest Drupal Summit!

Not sure what level of involvement you want to have? Our sponsorship levels start at \$150 on up to give opportunities to all our sponsors. The spaces are limited, so contact us now to reserve your spot!

We're ready for an amazing event, all we need now is the sponsorships to make it happen. Help support the quality of our code and developers! Feel free to contact Sponsorship Coordinator Brian Jamison (brian@opensource.com) with any questions, thanks for your interest!
